Tickle Your Funny Bone

A minister was asked to inform a man with a heart condition that he had just inherited One million dollars. Everyone was afraid the shock would cause a heart attack and the man will die.

The minister went to the man's house and said, "Joe, what would you do if you inherit a million dollars?"

Joe responded, "Well, Pastor, I think, I would give half of it to the church."

And the minister fell over dead.
