

### *Demons Have No Power Over Pigs or Us*

We may also learn this from what befell the herd of swine. Wicked demons are cruel, mischievous, hurtful and treacherous to those who are in their power. The fact clearly proves this, because they hurried the swine over a precipice and drowned them in the waters. Christ granted their request that we might learn from what happened that their disposition is ruthless, bestial, incapable of being softened, and solely intent on doing evil to those whom they can get into their power.

If there is anyone among us who is wanton, swinish, filth loving, impure and will-

ingly contaminated with the abominations of sin, God ermits such a one to fall into their power and sink into the abyss of damnation. It will never happen that those who love Christ will becomesubject to them. It will never happen to us as long as we walk in his footsteps, avoid negligence in the performance of what is right, desire those things which are honorable, and belong to that virtuous and praiseworthy lifestyle that Christ has marked out for us by the precepts of the gospel.
