

*Twelve Years*

When the woman with a hemorrhage learned that the Lord said to the leader of the synagogue, "Believe, and your daughter will live," she thought to herself that he who could bring back the soul of a little girl of twelve into her body would also be able to take away an illness of twelve years and expel it from the body. When she heard him say, "Believe firmly and your daughter will live," this woman reflected, "I can give the faith he requires as the price." The healing came forth from his mouth, and he negotiated as its price the faith expressed by the woman's mouth. He gave clear healing and demanded a clear price. The healing that came out from his lips could be heard publicly, and he required from the lips a faith openly professed. Although the woman professed before

everyone, they did not believe her, especially since her pains were hidden. When the Lord opened the eyes of the blind man, they called him a madman, and when he restored Lazarus to life, certain people, even among those who had seen for themselves, did not believe. This is why he restored the little girl of twelve years to life. He who was able to put the continued vitality of twelve years in the body back into its place was also able to arrest and banish from its place a flow of blood that continued for twelve years. He who was able to alleviate one illness was also able to banish another. He who was able to vivify all the dead members of this little girl was also able to heal the woman's womb.

## Bishops Emergency Disaster Fund

Dear Brothers and Sisters,

In September, two hurricanes affected the United States and the Caribbean killing dozens, damaging churches, homes, and businesses, and leaving communities without power. United States Catholics are working together to support the humanitarian work of the Church to help those in need. Water, food, shelter, and medical care and aid in long-term rebuilding and recovery efforts will be the goals of this special collection.

My fellow bishops and I decided to call upon dioceses and eparchies across the country to support the USCCB Bishops Emergency Disaster Fund (BEDF) for the humanitarian and Church needs in the wake of this disaster and others that might follow. **I am asking our parishes and missions in communion with each other to take up this special collection on November 13, 2022 and remit to the Eparchy of St. George by November 25, 2022.**

Thank you for your ongoing generosity to the civic and faith communities affected by natural disasters. Please pray for all those affected. If you miss your parish or mission collection, or wish to give outside of it, you may send your donation to:

USCCB Office of National Collections  
Bishops Emergency Disaster Fund  
PO Box 96278  
Washington, DC 20090-6278

In response to this disaster, and in anticipation of similar humanitarian crises arising from this and future disasters, USCCB President Archbishop José H. Gomez has requested dioceses around the country to participate in a volunteer special emergency collection as soon as possible. This collection for the Bishops' Emergency Disaster Fund will support USCCB efforts for pastoral and reconstruction efforts, as well as the humanitarian relief efforts of Catholic Relief Services and/or Catholic Charities USA, the official relief agencies of the U.S. Catholic Church. Your generosity at this time of great need is deeply appreciated.

Fraternally yours in Christ-God,

(Most Reverend) John Michael Botean, D.D.  
Bishop of the Eparchy of Saint George in Canton
