The men's club will meet on Sunday, March 17th at 5.30 pm in the Small Hall. All men are invited. Thank you.

Our third **Fish Fry dinner** was another success. On March 1st, we sold 535 dinners and we collected \$ 11,283. Thank you so much for all your dedication and hard work. We know that it is not easy, but because of you every Friday is a better dinner and a wonderful time for our guests. God bless you all! Three more to go...

For the Fish Fry on Friday March 1st, our delicious shrimp and scallops were cooked in a new fryer thanks to Tim and Deb Reichel. They donated the new equipment for better productivity. Thank you so much Tim and Deb and may God bless now and always.

As you maybe noticed, the church driveway looks so clean and beautiful. A big thank you to Steven Bosca and his crew. They worked so hard to clear the driveway of the pine trees and to make it safer. May God bless them now and always.

As you well know, we are renowned because of our food. Everybody is enjoying our delicious food, our traditional dinners, the fish fries, the festival. All this delicious food is prepared in our lovely kitchen. Our kitchen is modern and outdated at the same time. For example, the drawers and the cupboards are getting older by the minute, and very hard to open. We would like to replace them. If you are looking to do a good deed, please consider donating towards the replacement of the cupboards and drawers. Our work will be much easier than pushing and pulling the drawers most of the time. Thank you and God bless.

Operation Rice Bowl: Fourth Week of Lent

A story of hope from Indonesia Located in Southeast Asia between the Pacific and Indian Oceans, Indonesia has beautiful beaches, diverse cultures and nearly 280 million people—the fourth highest population in the world!

Many of the country's more than 17,000 islands are in the Ring of Fire, a region around the rim of the Pacific Ocean where volcanic eruptions and earthquakes are common. Climate-related disasters such as cyclones also threaten the islands and are becoming more frequent and destructive. Strong rains and wind from these storms—combined with long periods without rain, called drought—make it difficult for people like Evita Tiro Wada to grow food. Evita and her family live on Flores Island, where she keeps a home garden for food and income.

To help her family and community become more resilient against natural disasters and have more reliable access to food, Evita participated in a Catholic Relief Services' program, through which she joined a disaster preparedness group.

The group helps their community stay safe during emergencies like cyclones and earthquakes. They created a system to warn people to evacuate and identified evacuation routes, assembly points and resources they can use during a crisis.

The group also maintains a community garden. They grow vegetables like beans, eggplant and water spinach to provide healthy food for their families. They use a drip irrigation system that conserves water so the vegetables can grow even during a drought. Evita and her group members use the garden to teach people from other communities how to start their own. To protect their garden from the wind and prevent erosion from the ocean waves, Evita and her group planted trees. They also cleaned up the river and other areas in their town by picking up trash, which helped prevent flooding. Evita says, "When I first joined the village disaster preparedness group, I thought, 'What will I do or give to help the community?' After I've been involved, I see the benefits of what the community and I did."

You are invited to a breakfast sponsored by Magnificat- A Ministry to Catholic Women, on Saturday, March 16th at 9.00 am at Holiday Inn Canton, 4520 Everhard Road NW, Canton OH 44718. The guest speaker is Lillian Rambacher, from St. Paul Church in North Canton. Doors open for setting at 8.00 am; Mass begins at 8.30 am with breakfast at 9.30 am. Cost is \$26.

Wisdom of the Saints by Matthew Kelly

“Miss no single opportunity of making some small sacrifice, here by a smiling look, there by a kindly word: always doing the smallest right and doing it all for love.” ***St. Therese of Lisieux***

Tickle Your Funny Bone

Reverend Walker was scheduled to perform a special wedding ceremony immediately following the Sunday morning service. He planned to perform the rite before the entire congregation, but for the life of him, he could not remember the names of the two members whom he was to marry.

“Will those who want to get married now, please come stand before me.”

At once, six single ladies, four widows and five single men stood, went to the aisle, and walked to the front.
